by [Christina Rees](#) [Neil Fauerso](#) | October 1, 2018

*Installation at Meow Wolf's House of Eternal Return*

Ed note: **Meow Wolf** is an artistic production company that bills itself as “Creating immersive art experiences that transport audiences to fantastic realms.” Its first massive permanent installation in Santa Fe, New Mexico is titled *House of Eternal Return*. **It is enormously popular.** Glasstire’s Christina Rees and Neil Fauerso visited *House of Eternal Return*, separately, during the summers of 2017 and 2018 (respectively). When discussing ‘Meow Wolf’ they are generally referring in short-hand to the Santa Fe experience, the production company, or both.
